TURNER DEMOTOUR STORY :::

On the weekend of February 20-21, Turner bikes is teaming up with the guys at All Mountain Cyclery to bring you the Turner Demo Tour to Boulder City Nevada. Come down to demo a Flux, 5.Spot, or Sultan on Bootleg Canyons extensive network of World Class Downhill and Cross Country mountain bike trails. See for yourself why Turner Bikes dw-link is nothing but amazing when it comes to both pedaling efficiency and suspension suppleness .

While here you can experience first hand how forgiving these bikes handle in rough technical terrain. And then check out the American hand made quality, our unique dw-link suspension design, our exclusive journal bearing system with threaded grease ports, the unsurpassed lateral stiffness, the unrivaled service life and much more. . . You really need to ride a Turner to appreciate the new standard Turner Bikes is setting for 'the ride'.

NEXT TURNER DEMOTOUR STOP :::
